I, the applicant, understand that I am liable for any fees that may be incurred for the approval of this application. These fees may include, but are not limited to, engineering fees, to determine if there is adequate pressure, volume, and water rights, to meet this request.

These fees will be MY responsibility, whether this application is approved or not.
(C.R.W.A. can get you an estimate of this cost, if you wish to proceed.)

As the Applicant, it is also MY responsibility to keep the Board of Directors informed, in writing, of updates and all work done or contemplated. This application will become Null and Void, after 30 days of no communication with C.R.W.A.

Current membership fee: \$2,500.00 for a 5/8" meter, and \$2835.00 for a 1" meter.

This price includes: membership, materials, labor, and administration fees. These prices are for a basic installation, where water main is on proposed member's side of the road. In the event a road bore is necessary, an Eddy County Permit will be required, for \$350.00

The price of \$2,500.00 for a 5/8" meter, may be paid in full, or \$1,300.00 down payment and remaining \$1,200.00 paid with 36 payments of \$38.73 added to monthly water bill. The 1" meter will require a minimum of \$1,635.00 down, leaving the same \$1,200.00 balance, and same payments. Which includes a 10% finance charge.

If a road bore is required, C.R.W.A. has made arrangements with White Cloud Pipeline of Roswell, to assist. The price for the bore will be \$2,650.00 plus tax, for road bores up to 40 feet, any additional footage will be \$55.00 per foot. This price does not allow for rocky conditions.

Meters will ONLY be placed in the PUBLIC UTILITY EASEMENT, and each member is responsible for a personal "shut-off" valve immediately out of the meter box. Approximately 3 feet away.

I have read and understand this application, and hereby consent to the terms.
