Application Agreement:

I, the applicant, understand that I am liable for any fees incurred during the process of approval of this application. These fees may include, but are not limited to, engineering fees (to determine if there is adequate pressure, volume, and water rights to meet the request of this application). I understand that these fees will be my responsibility whether this application is approved or not. (C.R.W.A. can provide you with an estimate of this cost if you wish to proceed.)

As an applicant, I also understand that it is my responsibility to keep the Board of Directors informed of updates and all work done or contemplated. I further understand that I must provide this information to the Board of Directors in writing. I understand that this application will become invalid and canceled if there is no communication provided to C.R.W.A for 30 days.

Current membership fees: *\$3,500.00 for a 5/8” meter and **\$3,835.00 for a 1” meter

These prices include membership, materials, labor, and administration fees.

These prices are for a basic installation with a water main on the applicant’s side of the road. In the event a road bore is necessary, an Eddy County Permit will be required at an additional cost of \$ 100.00 .

*The price of \$ 3,500.00 for a 5/8” meter may be paid in full or a \$ 1,500.00 payment put down upfront. The remaining \$ 2,000.00 is paid with Sixty months(60) payments of \$ 48.84 (including a 10% finance charge) added to the regular monthly water bill.

**The price of \$ 3,835.00 for a 1” meter may be paid in full or a minimum of \$ 1,835.00 put down upfront with the remaining \$ 2,000.00 paid with Sixty months(60) payments of \$ 48.84 (includes a 10% finance charge) added to the regular monthly water bill.

If a road bore is required, C.R.W.A. has an arrangement with _____ of _____ to assist. The price for the bore will be \$ _____, plus tax, for road bores up to 40 feet. Any additional footage will be charged at a rate of \$ _____ per foot. This price does not allow for rocky conditions, and additional charges may apply.

Meters will only be placed in the public utility easement, and each member is responsible for a personal “shut-off” valve located immediately outside of the meter box (approximately three feet away from the meter box).

C.R.W.A. is subject to all applicable federal and state laws and regulations, including the New Mexico Low Income Water, Sewer, and Solid Waste Service Assistance Act.

I have read and understand this application and hereby consent to the terms.
